

THE EUROSCHOLARS PROGRAM

A European Academic Research Experience

LEARNING AND TRANSFER CREDIT AGREEMENT

There are three parts to this agreement:

Section 1: General Program Approval

Section 2: Coursework Approval - 2 pages

Section 3: Research Project Approval (by both home and host university) - 2 pages

Complete the student and program information in each section, follow the directions for gaining approval, and return all pages to the EuroLearn/EuroScholars USA office.

Supporting documents (course descriptions and the ECTS explanation) can be found online at www.euroscholars.eu/courseDescriptions.htm.

SECTION 2: COURSEWORK APPROVAL

Research the required EuroScholars coursework and obtain appropriate course descriptions for each. Bring these to an academic advisor in the appropriate academic department to determine how the credits will transfer to your university. For an explanation of the European Credit Transfer System (ECTS), go to www.euroscholars.eu/courseDescriptions.htm.

DETERMINE YOUR PROGRAM STRUCTURE

While the participation in an established academic research project is the primary feature of the EuroScholars program, some home universities may limit the amount of credit an undergraduate student can earn for research. Therefore, EuroScholars has adjusted its academic structure to accommodate for a more flexible program.

Participants can choose from one of the two program options (each totals 30 ECTS, which is the equivalent to 15 U.S. semester credits):

- Option 1 (higher research focus)**
 - 6 ECTS Language & culture course (classes + exam)
 - 6 ECTS Methods & literature review (independent study)
 - 18 ECTS Participation in research project including article/presentation (research)
- Option 2 (research + coursework)***
 - 6 ECTS Language & culture course (classes + exam)
 - 6 ECTS Methods & literature review (independent study)
 - 12 ECTS Participation in research project including article/presentation (research)
 - 6 ECTS Elective course in the field of research (classes + exam)

*Option 2 is not possible at all universities or in all academic areas as it depends on availability of courses taught in English at the Host Institution. Communicate with the Host Institution Coordinator to determine whether Option 2 will work for you.

LANGUAGE AND CULTURE COURSE (UP TO 6 ECTS)

You are required to enroll in one Language and Culture course as part of the EuroScholars program. The specific course options vary by host university. If you have not yet received information regarding the courses available to you from the Host Institution Coordinator, please contact the EuroScholars USA Office.
